

STAGE 3 (Levels 61–100), fully aligned with **Cambridge CEFR Speaking (B1 → B2)** and consistent with **Stage 1 & 2 logic**.

 LISA – STAGE 3 (ADVANCING → CONFIDENT SPEAKER)

Levels 61–100 | 120 minutes / level

6 sub-levels × 20 minutes

 **Target outcome by Level 100**

→ Speakers can **sustain conversation, explain ideas clearly, express opinions, reflect, compare, and narrate experiences** at **B2- speaking readiness**

 STAGE 3 STRUCTURE (CONSISTENT FOR ALL LEVELS)

Each level follows the same **6-step speaking flow**:

1. **Personal Experience**
 2. **Explanation & Reasoning**
 3. **Comparison / Perspective**
 4. **Problem / Challenge**
 5. **Reflection / Opinion**
 6. **Extended Narrative / Summary**
-

 LEVELS 61–70 | STRONG B1 → B1+

 LEVEL 61 – MANAGING STUDY & LIFE

1. My current study/work schedule

Describe real daily and weekly responsibilities clearly and logically.

Your current status (student, working, both)

- Typical weekday schedule: Morning/Afternoon/Evening activities
- Weekend schedule: How it is different from weekdays
- Fixed responsibilities: Classes, meetings, assignments, deadlines
- Flexible activities: Self-study, exercise, hobbies, rest

2. Time management methods

Explain *how* and *why* you organize your time in certain ways.

- Tools you use (planner, calendar app, to-do list)
- How you prioritize tasks: Important vs urgent
- How you plan a typical day or week
- Why you choose these methods
- What works well for you

3. Busy vs relaxed periods

Compare different time periods and describe contrasts clearly.

- Describe a very busy period: Exams, deadlines, projects
- Describe a relaxed period: Holidays, breaks, free weeks
- Compare: Stress level, Sleep, Mood and energy, Speaking or social time
- Which period you prefer and why

4. Time-related problems

Identify problems and explain their causes and effects.

- Common time problems you face: Lack of time, Too many tasks, Poor concentration

Situations where time pressure affects you

- Effects of poor time management: Stress, Lower performance, Less communication practice
- Why these problems happen

5. Improving balance

Reflect and give personal opinions about improvement.

- What balance means to you
- What you are doing well now
- What you need to improve
- Strategies to balance: Study/work, Rest, English speaking practice
- Advice you would give to someone with the same problem

6. Weekly life narrative

Start of the week (Monday mindset)

- Major responsibilities and challenges
- One difficult moment
- How you managed your time
- End of the week reflection
- What you learned about balance

● LEVEL 62 – LEARNING EXPERIENCES

1. Best learning experiences

- Describe 1–2 learning experiences you enjoyed
- Can be at school, university, work, or self-study
- What did you learn?
- Where and when?
- Why was it effective or enjoyable?

2. Difficult subjects or skills

- Talk about subjects or skills you find hard
- What makes them difficult?
- Is it content, speed, pressure, or teaching style?
- How do you feel when learning them?

3. Learning styles comparison

- Compare different ways of learning
- Learning alone vs with others
- Online vs offline
- Listening vs practicing
- Which works better for you and why?

4. Learning challenges

- Describe problems you face when learning
- Time, motivation, confidence, memory, focus
- Give real examples
- How often does this happen?

5. How I overcome difficulties

- Explain strategies you use to improve
- Habits, tools, people, mindset
- What works and what doesn't
- Changes you've made recently

6. Learning journey story

- Tell a story about learning something from start to now
 - Beginning → struggle → improvement → current level
 - What you learned about yourself
-

● LEVEL 63 – FRIENDSHIPS & RELATIONSHIPS

1. Important friendships

- Describe people who matter to you
- How you met
- Why they are important
- How often you communicate

2. Making and keeping friends

- Talk about how you build friendships
- First meetings
- Shared activities
- Communication habits

3. Different types of relationships

- Compare relationships in your life
- Friends, classmates, colleagues
- Close vs casual relationships
- Online vs offline friendships

4. Conflicts and misunderstandings

- Describe conflicts in relationships
- What caused the conflict?
- How did you feel?
- How was it solved (or not)?

5. What makes relationships healthy

- Reflect on good relationships
- Trust, respect, communication, time
- Give examples from your life

6. Friendship story

- Tell a complete friendship story
- Beginning → challenge → resolution → lesson learned

● LEVEL 64 – COMMUNICATION SKILLS

1. How I usually communicate

- Describe your communication style
- Talking, texting, calling
- With friends vs teachers/bosses
- Strengths and weaknesses

2. Formal vs informal communication

- Compare two communication styles
- Language choice
- Tone and behavior
- Situations where each is used

3. Miscommunication experiences

- Describe a misunderstanding
- What was misunderstood?
- Why did it happen?
- What was the result?

4. Communication problems

- Talk about common communication difficulties
- Shyness, language barriers, emotions

- Online vs face-to-face problems

5. Improving communication skills

- Explain how you try to communicate better
- Practice methods
- Feedback from others
- Confidence building

6. Conversation reflection

- Reflect on your speaking ability
- What you do well
- What you want to improve
- How English helps communication

● LEVEL 65 – STRESS, PRESSURE & WELL-BEING

1. Sources of pressure

- Identify stress sources
- Study, work, family, money
- Short-term vs long-term pressure

2. Physical & mental effects

- Describe how stress affects you
- Sleep, mood, health, focus
- Give real examples

3. Healthy vs unhealthy coping

- Compare coping methods
- Exercise, rest, talking vs avoidance, overworking
- Which help and which don't?

4. Stressful situations

- Describe a stressful event
- What happened?
- How did you react?
- What helped (or didn't)?

5. Self-care strategies

- Explain how you take care of yourself
- Daily habits
- Small actions
- Changes you want to make

6. Well-being story

- Tell a story about stress and recovery
- Stress → coping → improvement → lesson

● LEVEL 66 – WORKING IN GROUPS

1. Group projects experience

- Describe a group project
- Purpose, people involved
- Your role

2. Roles and responsibilities

- Explain different roles in groups
- Leader, supporter, planner
- Which role suits you?

3. Group conflicts

- Talk about conflicts in teamwork
- Different opinions
- Unequal work
- Communication issues

4. Problem-solving in teams

- Explain how problems were solved
- Discussion, compromise, leadership
- Results

5. Lessons learned

- Reflect on teamwork lessons
- What you learned about yourself
- Skills gained

6. Group project narrative

- Tell the full story of a group project

● LEVEL 67 – DECISIONS & CONSEQUENCES

1. Important decisions I made

- Describe one or two important decisions

2. Factors influencing decisions

- Talk about influences
- Family, money, emotions, advice

3. Good vs bad decisions

- Compare successful and poor decisions

4. Unexpected outcomes

- Describe surprising results

5. What I learned

- Reflect on decision-making skills

6. Decision story

- Tell a full decision story

● LEVEL 68 – DIGITAL LIFE & SOCIAL MEDIA

1. Daily digital habits

- Describe daily screen use

2. Benefits of social media

- Learning, connection, entertainment

3. Problems of online life

- Distraction, comparison, stress

4. Online vs offline relationships

- Compare communication styles

5. Healthy digital balance

- Explain balance strategies

6. Digital life reflection

- Reflect on digital impact

● LEVEL 69 – MONEY & RESPONSIBILITY

1. Personal spending habits

- Describe how you spend money

2. Needs vs wants

- Explain spending priorities

3. Budgeting experiences

- Talk about planning money

4. Financial mistakes

- Describe money mistakes

5. Money lessons learned

- Reflect on responsibility

6. Money story

- Tell a financial learning story
-

● LEVEL 70 – MID-STAGE REVIEW (B1+)

1. My life now

- Describe your current daily life situation
- Study/work status
- Daily responsibilities
- Lifestyle and routines
- How your life feels now compared to before

2. My communication progress

- Talk about how your communication has improved
- Speaking confidence
- Vocabulary growth
- Comfort in conversations
- Differences between now and earlier levels

3. My strengths in speaking

- Identify what you do well when speaking
- Fluency, clarity, storytelling, confidence
- Situations where you speak best
- Feedback from others

4. Remaining difficulties

- Talk honestly about challenges you still face
- Vocabulary gaps
- Grammar hesitation
- Fear of mistakes
- Situations that are still difficult

5. Goals for improvement

- Explain what you want to improve next
- Short-term goals
- Long-term speaking goals
- Skills you want to develop
- How you plan to practice

6. Personal progress narrative

- Tell your speaking journey story
 - Starting point → struggles → improvement → current level
 - How LISA helped you
 - What you feel proud of
-

◆ **LEVELS 71–80 | B1+ → B2-**

● **LEVEL 71 – PLANNING FOR THE FUTURE**

1. Future study/work plans

- Describe your short-term and long-term plans
- What you plan to study or do next
- Time frame (months / years)
- Why these plans matter to you

2. Career interests

- Talk about careers or roles you are interested in
- What attracts you to these careers
- Skills needed
- Personal strengths related to them

3. Possible obstacles

- Identify challenges that may appear
- Financial, academic, emotional, skill-based
- External vs internal obstacles
- Why these are difficult

4. Preparation strategies

- Explain how you are preparing
- Learning skills
- Gaining experience
- Improving English or communication
- Daily or weekly actions

5. Confidence vs uncertainty

- Reflect on how you feel about the future
- What makes you confident
- What makes you worried
- How you manage uncertainty

6. Future life story

- Tell a future-focused life story
- Where you see yourself
- Your daily life in the future
- What kind of person you want to become

● **LEVEL 72 – VALUES & BELIEFS**

1. Important personal values

- Describe values that guide your life
- Honesty, responsibility, family, freedom, growth, etc.
- Why these values matter to you

2. How values shape decisions

- Explain how values influence choices
- Examples from study, work, relationships
- Decisions you made because of your values

3. Different viewpoints

- Compare your values with others'
- Friends, family, society
- Accepting different opinions
- Learning from differences

4. Value conflicts

- Describe situations where values conflict
- Personal vs social expectations
- Short-term vs long-term benefits
- Emotional difficulty

5. Changing beliefs

- Talk about beliefs that changed over time
- What you believed before
- What changed your mind
- Why the change happened

6. Values reflection

- Reflect on your value system
 - What values guide you now
 - How they affect your future decisions
-

● LEVEL 73 – CULTURE & DAILY LIFE

1. Cultural habits

- Describe cultural habits in your daily life
- Food, communication, time, study/work habits
- Family or social traditions

2. Differences across cultures

- Compare cultures you know
- Your culture vs others
- Daily behaviors and values
- What surprised you

3. Culture shock experiences

- Describe a culture shock moment
- Where and when it happened
- How you felt
- What you learned

4. Misunderstandings

- Talk about cultural misunderstandings
- Language, behavior, expectations
- How the situation was resolved

5. Cultural adaptation

- Explain how people adapt to new cultures
- Personal strategies
- Language, attitude, openness

6. Cultural story

- Tell a full cultural experience story
 - Before → misunderstanding → adaptation → lesson
-

● LEVEL 74 – PROBLEM-SOLVING IN REAL LIFE

1. Recent real-life problems

- Describe a recent real problem
- Where it happened
- Who was involved
- Why it was a problem

2. Causes and effects

- Analyze the problem
- Root causes
- Short-term and long-term effects

3. Possible solutions

- Suggest multiple solutions
- Easy vs difficult options
- Risks and benefits

4. Chosen solution

- Explain your final choice
- Why this solution
- How it was implemented

5. Results

- Describe the outcome
- Success or failure
- Unexpected results

6. Problem-solving case

- Tell the full case as a story
- Problem → thinking → action → result → lesson

● LEVEL 75 – LEADERSHIP & RESPONSIBILITY

1. Leading or being led

- Describe experiences as a leader or a team member
- Situations where you led others
- Situations where you followed instructions
- Which role you feel more comfortable with and why

2. Good leadership traits

What to speak

- Talk about qualities of a good leader

Speaking guide

- Communication, responsibility, fairness, empathy
- Real examples of leaders you admire
- Traits you want to develop

3. Leadership challenges

- Describe difficulties leaders face
- Making decisions
- Managing people
- Handling conflict or pressure
- Personal leadership challenges

4. Responsibility under pressure

- Talk about moments of responsibility
- Deadlines, expectations, stress
- How you reacted
- What helped you manage pressure

5. Leadership lessons

- Reflect on lessons learned from leadership
- Mistakes and improvements
- Skills gained
- How leadership changed your mindset

6. Leadership experience story

- Tell a full leadership story
 - Situation → challenge → action → result → lesson
-

● LEVEL 76 – OPINIONS & ARGUMENTS

1. Opinions on student life

- Share opinions about student life today
- Workload, pressure, opportunities
- Online vs offline learning
- Social life and balance

2. Supporting opinions with reasons

- Explain reasons behind your opinions
- Personal experiences
- Examples
- Simple evidence from daily life

3. Agreeing & disagreeing politely

- Practice respectful discussion
- Express agreement
- Express disagreement without conflict
- Use polite language

4. Different perspectives

- Compare different viewpoints
- Students, teachers, parents
- Local vs global views
- Why opinions differ

5. Changing opinions

- Talk about opinions that changed
- What you thought before
- What influenced change
- How you feel now

6. Opinion discussion summary

- Summarize a discussion
 - Main opinions
 - Agreements and disagreements
 - Your final viewpoint
-

● LEVEL 77 – FAILURE & RESILIENCE

1. Experiences of failure

- Describe a failure experience
- Study, work, or personal life
- What went wrong

2. Emotional reactions

- Talk about feelings after failure
- Disappointment, frustration, fear
- How emotions affected actions

3. Lessons learned

- Explain what you learned
- Skills, habits, mindset

- Mistakes you won't repeat
- 4. Trying again**
 - Describe efforts to improve
 - New strategies
 - Support from others
 - Motivation
 - 5. Growth mindset**
 - Reflect on personal growth
 - How failure helped you grow
 - Changes in confidence or attitude
 - 6. Resilience story**
 - Tell a full resilience story
 - Failure → struggle → effort → improvement → lesson
-

● LEVEL 78 – SUCCESS & ACHIEVEMENT

- 1. Personal achievements**
 - Describe achievements you are proud of
 - Academic, personal, or skill-based
 - Why they matter
 - 2. Effort behind success**
 - Explain the work behind success
 - Time, discipline, sacrifice
 - Challenges faced
 - 3. Support from others**
 - Talk about help you received
 - Friends, family, teachers, mentors
 - Emotional and practical support
 - 4. Unexpected success**
 - Describe surprising achievements
 - Low expectations
 - Unexpected results
 - Feelings afterward
 - 5. Meaning of success**
 - Reflect on what success means to you
 - Personal definition
 - Changing views over time
 - 6. Achievement narrative**
 - Tell a full success story
 - Goal → effort → obstacles → success → reflection
-

● LEVEL 79 – ETHICS & DAILY CHOICES

- 1. Right and wrong in daily life**
 - Describe everyday ethical decisions
 - Honesty, fairness, responsibility
 - Simple real-life examples
- 2. Difficult moral choices**
 - Talk about hard decisions
 - Conflicting values

- Pressure from others
 - Emotional difficulty
- 3. Consequences of actions**
- Explain results of ethical choices
 - Short-term vs long-term effects
 - Impact on others
- 4. Social responsibility**
- Discuss responsibility toward society
 - School, community, environment
 - Small actions with big impact
- 5. Personal principles**
- Explain principles that guide you
 - Why they matter
 - How they influence behavior
- 6. Ethical dilemma story**
- Tell a moral dilemma story
 - Situation → choice → action → result → reflection

● **LEVEL 80 – ADVANCED REFLECTION (B2- ENTRY)**

- 1. My growth journey**
- Reflect on your overall development
 - Personal and communication growth
 - Changes in mindset
- 2. Speaking confidence**
- Describe your confidence level now
 - Situations where you feel confident
 - Remaining fears
- 3. Thinking in English**
- Talk about using English naturally
 - Thinking before speaking vs directly speaking
 - Daily-life examples
- 4. Communication strengths**
- Identify strong communication skills
 - Fluency, clarity, storytelling, interaction
- 5. Areas to improve**
- Talk about next challenges
 - Accuracy, vocabulary depth, argument clarity
 - Goals for Stage 4
- 6. Self-reflection narrative**
- Tell a complete reflection story
 - Where you started → how you changed → where you are now → where you want to go

● **LEVELS 81–100 | B2 READINESS & CONFIDENCE**

Each level keeps the same 6-sub-level structure:

1. Personal experience
2. Explanation
3. Comparison
4. Challenge

5. Reflection
 6. Extended narrative
-

● LEVEL 81 – EDUCATION SYSTEMS

1. Personal experience

- Describe your experience with education
- Schools or universities you attended
- Teaching style you experienced
- Exams, pressure, or support

2. Explanation

- Explain how the education system works (from your view)
- Structure (subjects, exams, grading)
- Roles of teachers and students
- Strengths of the system

3. Comparison

- Compare different education systems
- Your country vs another country
- Traditional vs modern learning
- Online vs in-person education

4. Challenge

- Talk about problems in education
- Pressure, inequality, outdated methods
- Student motivation
- Access to education

5. Reflection

- Reflect on what education should focus on
- Skills vs knowledge
- Exams vs real-life skills
- Your personal learning needs

6. Extended narrative

- Tell an education-related story
 - A turning point in your education
 - A teacher or experience that changed you
 - Lessons learned
-

● LEVEL 82 – WORK ENVIRONMENTS

1. Personal experience

- Describe workplaces you know
- Internship, part-time, full-time, group projects
- Physical or online environments
- Daily routines

2. Explanation

- Explain what makes a good work environment
- Communication
- Team culture
- Leadership style

3. Comparison

- Compare different work environments

- Office vs remote work
- Flexible vs strict environments
- Small teams vs large organizations

4. Challenge

- Talk about challenges at work
- Stress, deadlines, conflicts
- Lack of motivation or support
- Work-life balance

5. Reflection

- Reflect on your ideal work environment
- What you value most
- What you can tolerate
- How environment affects performance

6. Extended narrative

- Tell a work-related story
- A difficult or meaningful work experience
- Problem → action → outcome → lesson

● LEVEL 83 – TECHNOLOGY & THE FUTURE

1. Personal experience

- Describe how technology affects your daily life
- Study, work, communication
- Tools you rely on
- Changes over time

2. Explanation

- Explain how technology is shaping the future
- Education, work, relationships
- Automation, AI, online life

3. Comparison

- Compare life with and without technology
- Past vs present
- Digital vs non-digital lifestyles
- Advantages and disadvantages

4. Challenge

- Discuss challenges caused by technology
- Overuse, addiction, privacy
- Job replacement
- Social isolation

5. Reflection

- Reflect on responsible technology use
- Balance
- Ethics
- Personal boundaries

6. Extended narrative

- Tell a future-focused story
- Imagine your life in 10–20 years
- Role of technology
- Hopes and concerns

● LEVEL 84 – SOCIETY & RESPONSIBILITY

1. Personal experience

- Describe your role in society
- Student, worker, citizen
- Community involvement
- Responsibilities you feel

2. Explanation

- Explain what social responsibility means
- Individual vs collective responsibility
- Examples in daily life

3. Comparison

- Compare responsible and irresponsible behavior
- Personal behavior
- Social examples
- Short-term vs long-term impact

4. Challenge

- Talk about social problems
- Inequality, environment, education
- Youth responsibility
- Why problems are difficult to solve

5. Reflection

- Reflect on what individuals can do
- Small actions
- Awareness
- Personal responsibility

6. Extended narrative

- Tell a social responsibility story
- Situation → action → impact → reflection

● LEVEL 85 – HAPPINESS & LIFE BALANCE

1. Personal experience

- Describe what makes you happy
- Daily habits
- Relationships
- Personal achievements

2. Explanation

- Explain your definition of happiness
- Internal vs external happiness
- Short-term joy vs long-term satisfaction

3. Comparison

What to speak

- Compare different lifestyles

Speaking steps

- Busy vs balanced life
- Success-focused vs happiness-focused
- Material vs emotional fulfillment

4. Challenge

- Discuss challenges to happiness

- Stress, pressure, expectations
- Social comparison
- Fear of failure

5. Reflection

- Reflect on life balance
- Work, study, rest, relationships
- Changes you want to make

6. Extended narrative

- Tell a life-balance story
- Imbalance → realization → change → outcome

● LEVEL 86 – PERSONAL IDENTITY

1. Personal experience

- Describe who you are today
- Background (family, education, culture)
- Roles you play (student, friend, worker)
- Experiences that shaped you

2. Explanation

- Explain what “identity” means to you
- Personal values
- Beliefs and attitudes
- Skills and interests

3. Comparison

- Compare past and present identity
- Who you were before vs now
- Changes in confidence or thinking
- Influences (people, experiences)

4. Challenge

- Talk about challenges to your identity
- Expectations from family/society
- Self-doubt
- Cultural or social pressure

5. Reflection

- Reflect on accepting yourself
- Strengths and weaknesses
- What you are proud of
- What you are still working on

6. Extended narrative

- Tell an identity-shaping story
- Situation → conflict → growth → lesson
- How the experience changed you

● LEVEL 87 – COMMUNICATION STYLES

1. Personal experience

- Describe how you usually communicate
- Speaking, writing, online, face-to-face
- With friends vs authority figures
- Cultural influences

2. Explanation

- Explain different communication styles
- Direct vs indirect
- Emotional vs logical
- Formal vs informal

3. Comparison

- Compare your style with others
- Friends, teachers, colleagues
- Cultural or generational differences
- Strengths and weaknesses

4. Challenge

- Discuss communication difficulties
- Misunderstandings
- Emotional reactions
- Language barriers

5. Reflection

- Reflect on improving communication
- Listening skills
- Empathy
- Adaptability

6. Extended narrative

- Tell a communication-related story
- Problem → misunderstanding → adjustment → outcome

● LEVEL 88 – CHANGE & ADAPTATION

1. Personal experience

- Describe a major change in your life
- Study, work, relationships, environment
- Emotional reactions

2. Explanation

- Explain how people adapt to change
- Mental flexibility
- Skills and habits
- Support systems

3. Comparison

- Compare life before and after change
- Routines
- Feelings
- Opportunities

4. Challenge

- Talk about difficulties in adapting
- Fear, resistance, uncertainty
- Mistakes made during change

5. Reflection

- Reflect on personal growth
- What change taught you
- Skills you developed

6. Extended narrative

- Tell a full change story

- Old life → disruption → adaptation → new normal
-

● LEVEL 89 – GOALS & MEANING

1. Personal experience

- Describe goals you are working toward
- Academic, career, personal
- Short-term vs long-term

2. Explanation

- Explain what gives life meaning to you
- Purpose
- Contribution
- Personal values

3. Comparison

- Compare different types of goals
- Material vs personal growth
- Individual vs shared goals

4. Challenge

- Discuss challenges in finding meaning
- Confusion
- Pressure from society
- Fear of failure

5. Reflection

- Reflect on your direction in life
- Are your goals aligned with your values?
- What might change?

6. Extended narrative

- Tell a goal-related life story
 - Dream → struggle → adjustment → insight
-

● LEVEL 90 – LIFE PRIORITIES

1. Personal experience

- Describe what matters most in your life now
- Family, health, career, freedom
- How priorities show in daily actions

2. Explanation

- Explain why priorities change over time
- Age, experience, responsibility
- External events

3. Comparison

- Compare past and present priorities
- Student life vs adult life
- Short-term pleasure vs long-term value

4. Challenge

- Discuss conflicts between priorities
- Work vs family
- Success vs well-being
- Time and energy limits

5. Reflection

- Reflect on balancing priorities
- Trade-offs
- Conscious choices
- What you want to protect

6. Extended narrative

- Tell a life-priority story
- Decision → sacrifice → outcome → reflection

● **LEVEL 91 – LIFE PHILOSOPHY**

1. Personal experience

- Describe your current life philosophy
- What principles guide your life now?
- When did these ideas begin?
- Which experiences shaped them?

2. Explanation

- Explain your philosophy in simple terms
- Core beliefs (e.g. balance, effort, kindness)
- How these beliefs guide decisions
- What you value most in life

3. Comparison

- Compare your philosophy with others'
- Family vs your own beliefs
- Traditional vs modern thinking
- Eastern vs Western views (if relevant)

4. Challenge

- Discuss challenges to your philosophy
- Situations where beliefs are tested
- Pressure from society or reality
- Moments of doubt or contradiction

5. Reflection

- Reflect on how stable your philosophy is
- What has changed over time?
- What remains constant?
- How philosophy helps during hardship

6. Extended narrative

- Tell a life-philosophy story
- Critical moment → moral choice → consequence → lesson
- How it shaped how you live today

● **LEVEL 92 – LEARNING FROM OTHERS**

1. Personal experience

- Describe people you learned from
- Teachers, parents, mentors, friends
- What they taught you directly or indirectly
- How learning occurred (advice, example, conflict)

2. Explanation

- Explain why learning from others matters
- Avoiding mistakes

- Broadening perspectives
 - Emotional and social growth
- 3. Comparison**
- Compare learning from self vs others
 - Trial-and-error learning
 - Guided learning
 - Which is more effective in different situations
- 4. Challenge**
- Discuss difficulties in learning from others
 - Ego and pride
 - Misunderstanding advice
 - Conflicting opinions
- 5. Reflection**
- Reflect on openness to learning
 - How teachable are you now?
 - What kind of feedback helps you grow?
 - What you still struggle to accept
- 6. Extended narrative**
- Tell a learning-from-others story
 - Mistake → guidance → resistance → acceptance → growth
-

● LEVEL 93 – HANDLING UNCERTAINTY

- 1. Personal experience**
- Describe uncertain periods in your life
 - Academic, career, financial, emotional uncertainty
 - Emotional responses (fear, confusion, hope)
- 2. Explanation**
- Explain what uncertainty means to you
 - Lack of control
 - Unknown outcomes
 - Psychological impact
- 3. Comparison**
- Compare certainty vs uncertainty
 - Comfort vs growth
 - Planning vs flexibility
 - Risk vs safety
- 4. Challenge**
- Discuss coping with uncertainty
 - Anxiety management
 - Decision paralysis
 - External pressure
- 5. Reflection**
- Reflect on personal resilience
 - Skills gained from uncertainty
 - Emotional maturity
 - Trust in self or process
- 6. Extended narrative**
- Tell an uncertainty story
 - Stable situation → disruption → uncertainty → adaptation → outcome

● LEVEL 94 – INFLUENCE & IMPACT

1. Personal experience

- Describe how you influence others
- Family, peers, students, colleagues
- Direct vs indirect influence
- Small actions, big effects

2. Explanation

- Explain what influence really is
- Leadership vs manipulation
- Responsibility of influence
- Ethical impact

3. Comparison

- Compare positive and negative influence
- Role models vs bad examples
- Intentional vs unintentional influence

4. Challenge

- Discuss risks of influence
- Misuse of power
- Misinterpretation
- Responsibility for outcomes

5. Reflection

- Reflect on personal impact
- What impact do you want to have?
- How do you measure influence?
- Long-term vs short-term effects

6. Extended narrative

- Tell an influence story
- Action → reaction → ripple effect → realization

● LEVEL 95 – DECISION-MAKING UNDER PRESSURE

1. Personal experience

- Describe a high-pressure decision
- Time constraints
- Stakes involved
- Emotional state

2. Explanation

- Explain how you make decisions under pressure
- Logic vs emotion
- Experience vs instinct
- Values as guidance

3. Comparison

- Compare calm vs pressured decisions
- Quality of outcomes
- Stress impact
- Learning differences

4. Challenge

- Discuss decision-making difficulties

- Fear of failure
- Overthinking
- External expectations

5. Reflection

- Reflect on decision maturity
- What you would change now
- Patterns you recognize
- Growth in judgment

6. Extended narrative

- Tell a pressure-decision story
- Crisis → options → choice → consequence → insight

LEVELS 96–100 (B2 → Strong B2+ / C1 readiness)

● LEVEL 96 – GROWTH & MATURITY

1. Personal experience

- Describe how you have grown as a person
- Early attitudes vs current attitudes
- Emotional growth (patience, responsibility)
- Key moments that accelerated maturity

2. Explanation

- Explain what “growth” and “maturity” mean to you
- Difference between age and maturity
- Emotional vs intellectual maturity
- Signs that someone is growing

3. Comparison

- Compare your past self and present self
- Reactions to failure then vs now
- Communication style changes
- Decision-making differences

4. Challenge

- Discuss challenges in becoming mature
- Letting go of ego
- Accepting responsibility
- Handling criticism

5. Reflection

- Reflect on your ongoing growth
- Areas where you are still developing
- Mistakes you now accept calmly
- How maturity improves relationships

6. Extended narrative

- Tell a growth story
- Immature action → consequence → realization → change → new behavior

● LEVEL 97 – LONG-TERM VISION

1. Personal experience

- Describe your long-term vision for life
- 5-year and 10-year outlook
- Career, relationships, personal meaning

- How this vision has evolved
- 2. Explanation**
 - Explain why long-term vision matters
 - Direction vs drifting
 - Motivation during difficulty
 - Aligning daily actions with goals
 - 3. Comparison**
 - Compare short-term thinking vs long-term thinking
 - Immediate comfort vs delayed success
 - Emotional vs strategic choices
 - Examples from real life
 - 4. Challenge**
 - Discuss obstacles to maintaining vision
 - Distractions
 - Fear of uncertainty
 - Social pressure
 - 5. Reflection**
 - Reflect on commitment to your vision
 - How confident are you today?
 - What would make you adjust your vision?
 - What keeps you moving forward?
 - 6. Extended narrative**
 - Tell a vision-shaping story
 - Confusion → clarity → long-term choice → persistence
-

● LEVEL 98 – CONTRIBUTION TO SOCIETY

- 1. Personal experience**
 - Describe how you contribute to others
 - Teaching, helping, volunteering
 - Small contributions vs large impact
 - Situations where you felt useful
- 2. Explanation**
 - Explain what contribution means to you
 - Beyond money or status
 - Influence, service, responsibility
 - Individual vs collective contribution
- 3. Comparison**
 - Compare personal success vs social contribution
 - Self-achievement vs shared value
 - Short-term recognition vs long-term impact
- 4. Challenge**
 - Discuss barriers to contributing
 - Lack of time
 - Self-doubt
 - Limited resources
- 5. Reflection**
 - Reflect on your social role
 - Who do you want to help?
 - What problems matter to you?

- How your skills can serve others

6. Extended narrative

- Tell a contribution story
- Opportunity → action → impact → inner meaning

● LEVEL 99 – PERSONAL TRANSFORMATION

1. Personal experience

- Describe a major transformation in your life
- Before vs after mindset
- Emotional shift
- Behavioral change

2. Explanation

- Explain what causes transformation
- Crisis, learning, reflection
- Internal vs external triggers
- Time and effort involved

3. Comparison

- Compare gradual change vs sudden transformation
- Slow growth vs turning points
- Stability vs disruption

4. Challenge

- Discuss difficulty of transformation
- Resistance to change
- Fear of losing identity
- Social expectations

5. Reflection

- Reflect on who you have become
- Strengths gained
- Values clarified
- New sense of direction

6. Extended narrative

- Tell a transformation story
- Old self → conflict → breaking point → rebuilding → new self

🏆 LEVEL 100 – FINAL LEVEL (MASTER FLUENCY)

This level is not practice. It is a performance.

Minimal prompts. Maximum ownership.

1. Where I started

- My background
- Initial struggles with English and communication
- Early limitations

2. Challenges I faced

- Emotional, cognitive, linguistic barriers
- Fear, inconsistency, self-doubt
- Moments of wanting to quit

3. How I changed

- Thinking in English
- Emotional confidence

- Communication maturity
- 4. My communication ability now**
- How I speak today
 - How I express ideas, emotions, values
 - How others understand me
- 5. My future voice**
- How I want to use my voice
 - Teaching, leading, influencing, connecting
 - English as a life tool
- 6. Full life narrative**

20 minutes continuous speaking (no interruption)

Structure guidance

- Past → turning points → growth → present → future
- Clear emotional arc
- Calm pace, confident tone

 LISA COMPLETION OUTCOME

After Level 100, learners can:

- ✓ Speak **90+ minutes coherently**
 - ✓ Handle **abstract, ethical, and philosophical topics**
 - ✓ Maintain **narrative control and emotional depth**
 - ✓ Operate confidently at **high B2 / early C1 speaking**
 - ✓ Use English as a **thinking and life language**
-
